## MATCH FUNDING

You will hopefully be aware of the hard work that FRIENDS is doing to raise money for Monkfield Park. We would like to take this opportunity to remind you of the **Match Funding Scheme** and how a little bit of your time could help raise double the funds for FRIENDS! If you work for an organisation that has a match funding policy then some money raised through Friends could be matched by your employer. High Street Banks, Building Societies, Supermarkets (**Including Morrisons!**) and Large Corporations are more likely to do match funding but these schemes are not exclusive to the major corporate giants. If you work for an independent company they may be interested in charitable giving through match funding too! We would be grateful if you could see if your employer has a match funding scheme or would be willing to match fund part of any of our events and if so would you be able to help out at one (or more) of the FRIENDS events?
