- ⇒ **Drop-In Session**
- ⇒ **Nut-Free Establishment**
- ⇒ **Sport Relief**
- ⇒ **Read, Write Inc.**
- ⇒ **Easter**
- ⇒ **Ask your child.....**
- ⇒ **Wanted**

General Information

The pre-school will close for Easter on Thursday 29th March at 3.00 pm and re-open on Monday 16th April at 9.00 am.

Our Easter Holiday Club will be open weekdays from 3rd to 13th April.

If you would like any information about the Holiday Club please ask at the office or send an email to clcoffice@monkfieldpark.cambs.sch.uk

Parent/Carer Drop-In Session

Thank you to the parents and children who attended the termly drop-in;
We hope you found this useful for when your children move to their new room. If you have any more queries or questions don't hesitate to come in and ask.

Nut Free Establishment

Please be reminded that we are a nut free establishment and that packed lunch boxes should not contain nuts. The reason for this is that we have some children who have nut allergies and coming into contact with such products could put them at risk of harm.

Sport Relief

Thank you to everyone who supported Sport Relief on Friday 23rd March, by coming to pre-school in their sports clothes.

The children and staff raised £15 - 00 for the charity.

Read, Write Inc. Activity Suggestion

The older children have been exploring the letter 'c'
and the sound it makes which is 'c c c'.

Help your child to find things beginning with the 'c c c' sound around the house and
when they are out and about.

Please encourage your child to tell us about the ones they find, maybe they could
draw pictures of them, bring them to show us at pre-school and we can add them to
their Learning Journey.

Easter Activities

During the week the children are going to be participating in lots of Easter activities in-
cluding making Easter nests and cards for family and friends. Please remember to ask
your child what they have made so you are able to experience the children's creations.

Ask your child.....

- ◆ In Room 1 the children have been learning about staying safe in the home; ask your
child about what they can touch and what they cannot touch?

- ◆ In Room 2 the children have used large boxes to build their own
slide; you could ask them how they put it all together?

- ◆ In Room 3 the children have extended their growing activity
by looking at flowers and painting what they see using a variety of
resources and media.

Wanted!!!

If anyone has any necklaces made from beads, or
bangles Room 2 is looking to extend their
dressing up resources.

Room 1 is looking for more jigsaw puzzles that
will challenge our older children.
