## Welcome

Welcome to the 2019  
Summer *What's On in*

*Cambridgeshire Libraries* brochure. I need to start by saying a huge thank you to our sponsors, including The Clay Farm Centre and five of our fabulous Library Friends Groups, for their very generous contributions towards the production costs of this brochure.

This Summer we would like to invite your children to complete our annual **Reading Challenge**. This year's theme, '**Space Chase**', commemorates the 50th anniversary of the first moon landing, and has inspired a whole galaxy of fabulous activities and events, all listed in this brochure.

If you would like to find out more about these events, and any extra ones we may add to our programme, please sign up to our monthly libraries e-newsletter and keep an eye on Cambridgeshire Libraries' Facebook, Twitter and Instagram.

Best Wishes,

**Sue Wills**

# SPACE CHASE

## Summer Reading Challenge 2019

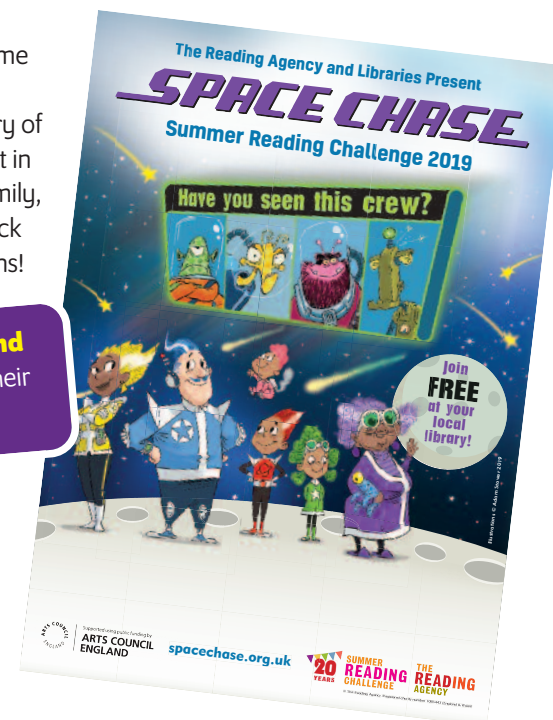

The *Summer Reading Challenge 2019* theme is *Space Chase*, an out-of-this-world adventure inspired by the 50th anniversary of the first moon landing. Children taking part in the Challenge will join our super space family, **The Rockets**, for a thrilling mission to track down books nabbed by mischievous aliens!

The Challenge will begin on **Monday 22nd July**, however, children can sign up at their local library from **Saturday 13th July**.

Children can read whatever they like – fiction, fact books, poetry, joke books, picture books, audio books – just as long as they are borrowed from the library.

There are 6 special stickers to collect, one for each week of the Summer Holidays, and everyone who finishes the Challenge will receive a Certificate, and children over-3 a Gold Medal.

Log on to the Cambridgeshire Libraries' website for more information –  
[www.cambridgeshire.gov.uk/library](http://www.cambridgeshire.gov.uk/library)

Supported using public funding by  
**ARTS COUNCIL ENGLAND**

# A huge **Thank You** to our Sponsors

We would like to express our gratitude to the Clay Farm Centre, Cambridge Central Library Friends, Friends of Ely Library, Friends of Whittlesey Library, Friends of Yaxley Library, and Wisbech Library Friends for their very generous contributions towards the production costs of this brochure.

## Clay Farm Centre

Since The Clay Farm Centre opened its doors it has been wonderful to welcome so many residents of Trumpington to this fantastic facility. The library and café have proved popular additions to local amenities along with the variety of classes and activities that are held each week in our community rooms and spaces.

The  
Clay Farm  
Centre

You can find out what's on each week by checking out our website [www.cambridge.gov.uk/clay-farm-centre](http://www.cambridge.gov.uk/clay-farm-centre) or like us on Facebook

## Friends of Ely Library (FOEL)

Our role is to deliver a programme of events to raise income and the profile of the library. In the past year we have delivered a particularly full programme of events, including monthly Coffee Morning & Jigsaw Exchanges; a Fish & Chip Quiz Night and an evening with author Guinevere Glasfurd. We use the income raised to fund added value Library activities and services.

If you have any ideas for events/activities you would be interested in attending, please email us: [friendsofelylibrary@gmail.com](mailto:friendsofelylibrary@gmail.com)

## Join Cambridge Central Library Friends

These are some of the ways we've been supporting your library.

Purchase of the Aeroplane in the children's library; children's and adult's classics and roll up banners for the Cambridgeshire Collection. To help fund the Cambridgeshire Collection, each year we produce a unique calendar using pictures from their collections.

Your support as members would be most welcome and our small committee is always looking for people with new skills and ideas. Life Membership is only £5 per family/£2 unwaged.

Find out more on our Website <https://friendsofcambridgecentrallibrary.wordpress.com> or follow us on Facebook

## Friends of Whittlesey Library

We are currently looking for more Committee members to enable us to continue supporting the library with fund-raising activities and events, including Coffee Mornings, a Quiz and Fish & Chip Supper and an evening with Alison Bruce. Our fund-raising has enabled us to buy 'extras' for the library such as Lego, trestle tables and competition prizes. See our dedicated Friends' Facebook page for more details.

If you are interested in joining us please talk to a member of library staff or email [Wisbech.Referrals@cambridgeshire.gov.uk](mailto:Wisbech.Referrals@cambridgeshire.gov.uk)

## Wisbech Library Friends

Wisbech Library Friends are a small group of people who value our library service. We meet approximately six times a year to discuss ways we can support the wide variety of activities taking place in the library.

We contribute to the selection of the The Library Presents programmes, plus act as stewards and run the bar at the performances.

Fundraising is an important part of our work enabling us to provide additional equipment (e.g. Lego, a badge-maker) and underwrite library events.

If you are interested in joining us please email: [Wisbech.Referrals@cambridgeshire.gov.uk](mailto:Wisbech.Referrals@cambridgeshire.gov.uk)

## Friends of Yaxley Library (FOYL)

We are a small group who meet once every six weeks to chat about ways we can promote the library and make the most of this fantastic community asset. We support the library in a variety of ways including:

- Helping at The Library Presents events
- Providing and selling refreshments
- Organising events such as local artist workshops

We have bought items – games, display boards, rugs, even a sofa(!) – as well as sponsoring children's events and competitions.

If you're interested in joining this friendly group please contact: [friendsofyaxleylibrary@hotmail.co.uk](mailto:friendsofyaxleylibrary@hotmail.co.uk)

## Recyclables Animation Workshops

To celebrate their 20th Anniversary the Recap Waste Management Network is sponsoring five free Animation workshops with professional animators from Breadcrumb Media. Learn how animated films are made and create your own short animation using the Stikbot app. Places are limited so book your place in advance.

For dates and times see the following libraries' entries in this brochure: Arbury, Cambourne, Ely, St Ives & Wisbech.

## The Recyclables Summer Challenge: Space for Change COMPETITION

An exciting competition for children aged 7-11 years is taking place over the summer to celebrate the power of imagination and encourage everyone to reduce and recycle as much as they can.

How can **plastic drink bottles** turn into **football shirts**, drink cans turn into aeroplane parts, jam jars into the window of a rocket ship, and magazines into loo rolls?

**Was it Magic? Alien Forces? A Mad Scientist? You decide.**

Use your imagination to create a story of how your recycling is transformed into something new.  
**The more fabulous the better!**

There are **2 amazing prizes** to win...

**1st Prize** – The winning story will be made into a video & its author will be invited to take their whole class for an Animation Work & Activity Day at the Waste Management Park in Waterbeach.

**2nd Prize** – The runner up is invited to take their whole class for a brilliantly interactive Recycling Activity Day at the Waste Management Park in Waterbeach.

The competition launches on **Monday 8th July** and will run until **Friday 20th September**. Log on to the website [www.recap.co.uk/spaceforchange](http://www.recap.co.uk/spaceforchange) to find out how to enter.

Find lots of inspirational story ideas for free at the library.
