Checking answers

- ❑ Develop skills needed to check answers
- ❑ Encourage children to actually re-do the calculation using a different method is possible.
- ❑ Give children examples where mistakes have been made. Let the children mark it. Can they spot and correct the mistakes?

Common errors

- ❑ Missing out the correct unit of measurement in the answer
- ❑ General presentation – final answer not being clear
- ❑ Numbers not clearly formed e.g. ‘0’ looking like a ‘6’
- ❑ Decimal points – missing them out or making them look like a comma
- ❑ 2 step problems – make sure children follow the whole question through
- ❑ Recording the monetary values incorrectly e.g. must be £8.90 not £8.9 or £8.90p

Breakfast club

- ▶ Runs Monday – Thursday
- ▶ Doors open at 8:15
- ▶ Encourage all children to attend
- ▶ It is not a revision club but a chance for the children to talk and destress
- ▶ All food is provided

How can you help?

- ▶ To keep calm and to reassure your children that they are prepared.
- ▶ Lots of sleep.
- ▶ To have a water bottle with them.
- ▶ To ensure they are here early.
- ▶ Go through any past papers the children bring home, focusing on the areas where they struggled.
- ▶ Practice spelling patterns that are shown on the spelling list.

How can you help?

- ▶ To read through the grammar glossary
- ▶ To read with your child – asking them questions about the text:
 - Which word means.....
 - How do you know the character....
 - What is happening
 - Who is the main character?
 - When....
 - Read both fiction and non-fiction texts
 - It is important to question your child as the text does not focus on reading alone but their comprehension of it.

When will you receive your child's results:

We get them on Tuesday 8th July.

They will be given to you along with your end of year report on Friday 11th July.
