

It's beginning to look a lot like CHRISTMAS!

With the Christmas countdown here, we have a lot of festive events planned!!

- Firstly, we would once again like to say a HUGE thank you to all children, parents, carers, and teachers who continually support our fundraising. Not only has the ongoing support enabled us to raise enough funds to contribute to the refurbishment of the library, it has also enabled us to fund each child's ticket to the Cinderella performance that the school has arranged!! This is an amazing opportunity that we are certain will be an incredible experience for the whole school! THANK YOU!
- With fundraising in mind....We have a jam packed schedule of Christmas events. We hope they add to excitement and magic in the run up to the big day.

Welcome to the newly elected FOMP committee. While Helen Hickmott remains our chair, we welcome new members Jodie Todd, Abbey Stevenson, Gillian Lee and Melanie Hettle.

Our Christmas events include a Christmas Quiz Night— Sat 14th Dec, 7pm and Christmas Crafternoon and Santa's Grotto — Mon 16th Dec, 3-5pm

Ongoing fundraising activities

- We are still collecting; **Costume donations** for a swap shop, **empty branded printer cartridges**, and **foreign currency**
- Our Amazon Book Wish List is still up and running for donations to the school library. We will also be requesting **second hand books** from a **selected list of authors** for the new school library. Please keep an eye out for the poster with further details.

CALENDAR OF EVENTS
