Update

We hope you are all still keeping safe and well. We are expecting an update next week regarding the wider re-opening of settings and will inform you of any changes that may take place for the last few weeks of the summer term.

UPDATE

We will also update you as soon as we possibly can as to whether our summer Holiday Club will be operating this year.

2 Year Old Room News

We have a new bird table in the 2 year old garden which Ms Woolston's dad has made for us. Watch this space as more new things will be arriving in our garden!
Our room is very quiet at the moment, and the toys are really missing you playing with them.
The weather has been so nice - we hope you are spending lots of time outside, and having loads of fun!
We hope you are enjoying the activities we are sending to you?
Thank you for all the amazing photos you are sending us...please keep sending them.
Take care, and we hope to see you really soon.
Love from Ms Woolston and Mrs Arlott.

A Message from Miss Blackwell & Miss Tobin

We really love receiving the messages and photos which tell us about what you have been doing at home. It is also very nice to see you at Mrs Beresford's weekly story time sessions.

It is very quiet in the pre-school without all of you and we miss you lots. We have been busy cleaning and tidying the Care & Learning Centre as well as planning exciting activities for when you return.

We are enjoying planning some of the daily activities for you to try at home and love to hear how you get on with them so please keep sending your replies to us.

Love from Miss Blackwell and Miss Tobin.

It's
just me
saying
hi!

Hello from Mrs Longford

I am delighted to be working at the pre-school and I am certainly enjoying working with the children who are attending. I am really looking forward to when lots more of you can come back to play and learn with me.

Next week I am going to join you all for Mrs Beresford's Zoom story time so please look out for me and I will give you all a big wave. I can't wait to see you all!

Love from Mrs Longford.

Our Staying Safe Snake

If you would like your child to add a decorated rock/stone to our Staying Safe Snake please let us know by either sending an email to Clcoffice@monkfieldpark.cambs.sch.uk or giving us a call on 01954 273301 so we can arrange to come and collect these from you. We will then add them to the snake and send photo updates as it grows.

September Sessions

Thank you to everyone for confirming their session requirements for September subject to the Care & Learning Centre being fully re-open.

We will keep you updated as and when we have further information relating to this and would like to thank you for your patience and understanding.

Funding Forms

If your child is returning to the pre-school in September and is eligible for 15 universal funded hours you should have received an email this week with the Parent/Carer Declaration Form and information sheet attached.

We will need the original signed copy of this which can be posted in the letterbox at the front of the main school/returned prior to the new term but in the meantime scanned copies will be fine whilst I gather the necessary information.

If you haven't returned your form please do so as a matter of urgency.

30 Hour Funding

If you are entitled to 30 hour funding you must re-confirm your eligibility code in order for this funding to be continued.

If you haven't claimed 30 hour funding with us previously and are eligible please let us have your eligibility code.
