

WELCOME BACK!!!! It's time for another year of fundraising!

We hope you had a lovely summer break and the children are raring to go!

- Thanks to all the hard work of our FOMP volunteers, teachers, parents and children of the school, we raised **£13,000 towards to the Library refurbishment!** The flooring was completed over the summer break and the furniture will be fitted over the October half term! Further, all the books received from the amazon wish list have added to the existing collection of books held in the library! Thank you once again to everyone who helped us reach and exceed our target! We cannot wait to see the shiny new library completed!
- Our new primary fundraising target will be helping towards the refurbishment of the **outdoor area at the Care and Learning Centre.** Fingers crossed for another successful year!
- We have another great set of events coming up during the first term, please keep your eyes peeled for more information on each as it becomes available!!!
