28th March 2019

Dear Parent/Carer,

STEM Week - Volunteers

From Monday 17th to Friday 21st June, we will be having our school 'STEM Week', which is a five day celebration of science, technology, engineering and maths. The theme for this year will be 'Journeys'. It is a chance for us to get the children enthusiastic about science and the other STEM subjects, not just in the school setting, but in the wider world.

As part of this, we would like to invite parents and carers, who have a particular area of scientific or technological expertise, to come into school to do a talk and demonstration with the children. You would have the chance to do one or more sessions with classes in the school. If you are able to come and be involved in our STEM Week, I would be grateful if you could complete the form below and return it to me by Friday 3rd May. If you have a preference to a day and time, please state that on the slip.

If you have any questions, please do not hesitate to get in contact with me directly or through the school office.

Yours sincerely,

Rebecca Wellings
(Science Lead)

STEM Week 2019 - Volunteers

I would like to come in to help with STEM Week between Monday 17th to Friday 21st June.

Name..... Child's class:.....

My specialist area is.....

I am available on the following days:

I would like to present to:

☐ Reception/Key Stage 1 (Reception – Year 2)

☐ Key Stage 2 (Years 3-6)
