

Reception News

Week Beginning: 19th October 2020

This week's learning...

- Collaging pictures using 2D shapes.
- Sorting clothes for chilly and warmer weather.
- Making tasty warm crumpet pizza's
- Finding out all about the numbers 17 - 20 and ordering them.
- Dancing like falling leaves.
- Creating repeating patterns with leaves and other objects.

After half term ...

- Practising our bike skills in Balanceability.
- Sharing our own experiences of watching fireworks.
- Making and writing our own firework words.
- Counting firework sounds and recording numbers.
- Creating a class firework display by painting and collaging our own firework pictures.
- Working in groups to make a firework display using musical instruments.
- Revisiting numbers 11-20

Home Learning...

- Discussing the different colours observed on the trees, leaves and ground.
- Using senses to describe what signs of autumn they can see, smell, touch, hear and even taste. E.g. "I can taste blackberries. I can touch the rough bark on a tree."
- Going on an autumn walk and collecting objects and then categorising these by number, colour and size. *Which group has more? Can they count them and write the numeral to match?*

Notices...

- We hope that you have all enjoyed the first term of your school life journey. Plan something nice to do and we look forward to hearing all about it when you return to school on 2nd November.
