Funded Sessions:

All children are entitled to 15 hours of funded pre-school sessions from the term after their 3rd birthday. These hours can be used between 9.00 am and 3.00 pm only.

Parents/Carers of children who are eligible for 30 funded hours per week can use these hours between 9.00 am and 3.00 pm subject to the correct claiming and validation.

The validity start date shown on the code issued by HMRC will be the date the code was issued, not the date the child can start accessing the 30 hours free childcare.

Every three months, parents will be asked to reconfirm that they are still eligible.

In order to access the 30 hours childcare, an eligibility code must be issued before the end of the funding period to enable a start in the following funding period. If a code is not issued by HMRC before the deadline, the child will have to wait until the following funding period (term) before they can take up the 30 hour entitlement.
